

LAXATIVE, REGULATIVE

*More Than Just
A LAXATIVE....*

Treat Intestinal IRREGULARITY

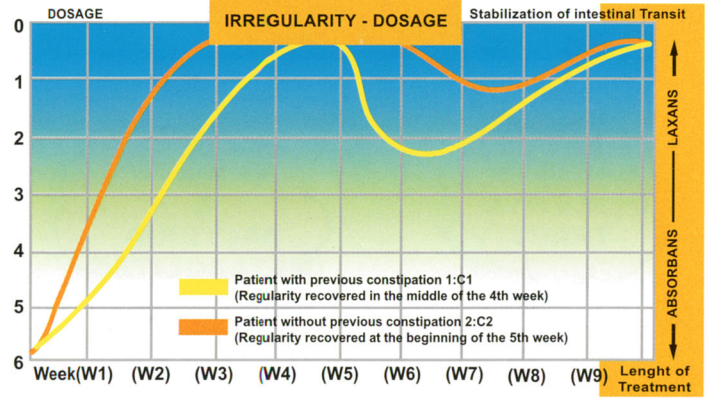

.... The NATURAL WAY

LAXATIVE, REGULATIVE

As a Laxative
Eucarbon herbal reduce absorption of liquid in the intestine thus soften the stools within 6-8 hours

**As Intestinal Regulator
For IBS**

Eucarbon herbal regulate the intestinal transit time by 4th week
Thus bringing digestion back to normal

As an Adsorbent
Eucarbon herbal adsorb toxins and gases produced by bacteria

LAXATIVE, REGULATIVE

	Carbo Ligni (Vegetal Carbon) adsorb toxins and gases
	Senna leaves have a laxative effect. Soften the stool
	Rhubarb root extract cleanses and purges.
	The essential oils extracted from mint and fennel have antispasmodic and anti-inflammatory effect. Thus relieve intestinal cramps
